[REDACTED]

Czech military personnel could be seen in the immediate vicinity of the building at the time of each observance.

25X1

[REDACTED] This area was located on the west side of Lidicka Street, known as Prazska Street until 1945.

25X1

2. Lidicka Street: Led from the center of Brno north to Kralovo-Pole. This was a main street with tram route. Observance of military storage area (point 1) was made from tram on this street. Formerly known as Prazska Street, this street was renamed Lidicka in remembrance of the village of Lidice, where a massacre of Czech civilians by German forces took place during World War II.
